

Request for Information (RFI) – 001

Owner: **Thurston County PUD NO. 1**
Project: **Tanglewilde-Thompson Place Generator Installation CI-85-004-2015**
Project No:
Engineer: **J.W. Morrisette & Associates**
Contractor: **Waunch Construction & Trucking Inc.**

Review Priority: ☐ 1 (five working days) ☒ 2 (ten working days) ☐ 3 (fifteen working days)

Date of Requested Response (based on review priority):

Reference Drawing(s): Sheet 3 and 4 Specification Section(s):

Description of Request:

Cost Impact: Answer depending Schedule Impact: None

Comments (If cost or schedule impact, provide reasoning):

The foundation and wall detail on sheet 3 calls for a 24" overhang. The floor plan and partial roof framing plan on sheet 4 calls for a 12" overhang. Please advise if you would like a 12 or 24" overhang.

Also the foundation and wall detail on sheet 3 calls for a raised heel truss but does not specify the depth. Please advise on the depth of the raised heel.

Submitted By: George Barnes Company: WC&T Inc. Date: 11/3/2014

Engineer's Response: Please provide trusses with 12 inch overhang, provide raised heel to accommodate R38 fiberglass insulation and 1 inch air space

Engineer's Understanding of: Cost Impact: None Schedule Impact: None
